Buy in the Beautiful Gray Tract

One of the best subdivisions in San Mateo County. No adobe; the finest of soil—loam and gravel; beautiful oak trees, and situated on the Woodside road. This road is soon to be made into a beautiful boulevard. NOW is the time to buy. Only a few blocks from the new electric line. Don't let all outsiders come here and buy up the best. These lots are all 50x109 feet; no 25-feet frontage here. I want you to call at the office and I will show you what these lots are, and I would like to see our own people get in on the ground floor—not all strangers. About forty of these lots have been placed on the market for $250 each; 10 per cent cash, remaining payments to suit purchaser.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure.
If it's painful periods with women, same cause.
If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

Dr. Shoop's Headache Tablets

Mrs. Fitzpatrick had been unwell for about a week but she was able to be about and no apprehension was felt. On Friday evening however she com-plained of severe pains in the re-gion of her heart and as they did not abate it wasdecided to call in the doctor. Dr Barret was hastily summoned and did all in his power but within an hour the end came and the good woman had passed calmly into the presence of her maker.

The deceased had lived in this town for the past forty-three years and was known by everyone in the community as a woman of great piety and devoiton to her family and to her church. She was a native of Ireland aged 69 years and leaves to mourn her death two sons, Judge E. F. Fitzpatrick and W. F. Fitzpatrick and one daughter, Mrs. George H. Buck, all of this city.

The funeral was held from Mount Carmel Church Monday morning at 10 o'clock when a Requiem High Mass was celebrated for the repose of her soul. At this service the pastor, Rev. Father Sullivan was assisted by Rev. Father Lyons of Menlo Park. In his sermon Father Sullivan dwelt up-on the faithfulness of the older mem-bers of the parish and told of the zeal with which Mrs. Fitzpatrick had attended to all of her church duties The interment was in Holy Cross Cemetery, Menlo Park.

Mrs. Fitzpatrick was a woman who was devoted to her home and her whole life was wrapped up in her children whom she had seen grow up to be a credit to their home town. She did not go out much in the later years of her life, being con-tent to remain at her home where her grand children spent much time with her.

The following old friends of the family served in the capacity of pall-bearers: John Hanley, John Curran, Michael Reynolds, Jos. Roza, Jas. Hannon and H. G. Lamb.

Ordinance No. 218.

An Ordinance Regulating and Licensing the Operation of Smelters and Providing for Supervision Thereof for the Purpose of Preventing Injury from Oxides of Sulphur, Arsenic, Flue Dust or Other Noxious Substances Generated Thereat.

PREAMBLE.
Whereas, it appears to the Board of Supervisors of the county of San Mateo, state of California, that smelters which discharge air, smoke, gases and fumes containing oxides of sulphur, arsenic and other noxious substances have frequently been injurious to the public comfort, health, safety and welfare and have been the cause of many suits for damages and for other relief and have been declared by the courts to be nuisances and decrees against the owners thereof for damages and enjoining the further like operation of such smelters have been given and made; and
Whereas, it further appears to, and it is the judgment of, this board that the operation in this county of smelters should be regulated, licensed and supervised for the purpose of protecting and preserving the public comfort, health, safety and welfare, and to provide against any smelter operated in this county becoming or continuing to be a public nuisance;

WOMEN'S WOES.

Redwood City Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflite humanity: they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.
Mrs. H. C. Wilder, living at 806 Arguello st. Redwood City, Cal., says: "Before I used Doan's Kidney Pills, I was annoyed to quite an extent from a dragging pain in my back which clung to me persistantly and made my life miserable. My grandmother was staying with us at the time, and as she had used Doan's Kidney Pills with satisfactory results, she advised me to give them a trial. I procured a box at P. A. Ryan's Drug Store, and they absolutely banished the pain and distress in my back and I have not had the slightest return of the trouble since. I know of others who have used Doan's Kidney Pills with equally satisfactory results."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
